

What Is It?

KOOL 'N FIT® is an all natural hypoallergenic formula containing no animal fats or methyl salicylates. It is non-staining, non-greasy and contains anti-inflammatory, anti-spasmodic and antiseptic qualities which are unmatched in any other formulation.

The ingredients include alcohol, deionized water, menthol, camphor, pine oil, eucalyptus oil and other special herbal oils. The formula meets the highest international standards and is being manufactured under the strictest quality control by our FDA licensed laboratory.

What Does It Do?

KOOL 'N FIT® quickly penetrates nerve endings to block the transmittal of pain signals to the brain. It also provides temporary relief from minor pains and stiffness due to arthritis, muscle aches, strains, sprains, cramps and simple backaches.

KOOL 'N FIT® stimulates blood circulation, relaxes tight muscles, and generates a feeling of well-being. It leaves no greasy or oily residue on the skin and has a pleasant aroma-therapy scent.

When To Use It

For Your Health

Relieves minor aches and pains from arthritis, backaches, sore muscles, sprains, over-exertion and fibromyalgia.

At Night

Apply before bedtime to prevent restless legs and to relax muscles for better sleep. Helps to alleviate soreness after a day of physical activity.

Medical Therapy

Beneficial for swelling and inflammation. Use during chiropractic, physical and massage therapy to relax the muscles, increase circulation and promote healing.

How To Use It

Apply where needed. To ensure full benefits, spray on large muscle groups. Let dry and penetrate. No need to rub in, and it will not stain clothing. Sprays at any angle!
